3PL

**3PLFinder.com • www.3plfinder.com**

Your search for the perfect 3PL partner just got easier. 3PLFinder.com is the most comprehensive directory of 3rd party warehouses in the world. Our free and easy-to-use search feature allows you to find the 3rd party warehouse that fits your needs anywhere in the world. Search by city, state, country or services you require.

**AFN • www.loadafn.com**

AFN is a people-powered logistics solutions company. Founded in 2003 in Niles, IL, we deploy a unique, holistic approach to shipping that gives clients the insight to select the most efficient and cost-effective method of moving freight. Matched with exceptional service and leading technology, our goal is to deliver breakthrough solutions that drive value to your supply chain to reduce total landed costs, create efficiency gains, and mitigate risk. Our core capabilities include managed transportation services, truckload, LTL/partial truckload and intermodal, as well as unique expertise in high-value/high-risk freight, drop trailer services, and RAD/MABD solutions.

**Alliance Shippers Inc. • www.alliance.com**

Delivering The Perfect Shipment® from pick up to destination. With operating facilities in the United States, Canada and Mexico, Alliance Shippers Inc. combines excellent customer care with state-of-the-art rail, highway, ocean and air transportation solutions. Additional services include warehousing, distribution, customs clearance, equipment/driver leasing and expedited transportation. For cost-effective logistic solutions tailored to your company's exact needs, contact Alliance Shippers Inc.

**ARMADA • www.armada.net**

Armada creates innovative, fully integrated supply chain solutions that deliver competitive advantages and improve business performance for our clients. Through our long tradition of partnering with our clients, we are changing the way supply chains are managed—today and for the future—by providing outsourced logistic solutions that create smaller, smarter and more agile networks.

**IN THIS SECTION:**

**3PL**

**Atlanta Bonded Warehouse Corporation • www.atlantabonded.com**

Atlanta Bonded Warehouse (ABW) has been providing public and contract food-grade, temperature controlled distribution services for over 69 years. ABW is a leader in providing integrated asset-based logistics solutions for the food, pharmaceutical, household durables, and CPG industries. Our goal is total customer satisfaction through continuous innovation in technology and in best practices by focusing on teamwork, integrity, and accountability, all in a safe working environment.

**Hanover Logistics • www.hanoverlogistics.com**

Hanover Logistics is an asset-based logistics services company providing customers superior supply chain management solutions in a variety of third-party logistics (3PL) disciplines, including warehousing, distribution, fulfillment, and transportation services. Hanover Logistics is equipped to expertly handle various types of logistics services, including: freight brokerage, food/grocery storage and distribution, intermodal/cross-dock services, warehousing solutions for a variety of products (AIB certified, food grade), and general transportation management including truckload, LTL, and container hauling services.

**J.B. Hunt Transport • www.jbhunt.com**

J.B. Hunt Transport focuses on providing safe and reliable transportation services to a diverse group of customers throughout the continental United States, Canada and Mexico. Utilizing an integrated, multimodal approach, the company provides capacity-oriented solutions centered on delivering customer value and industry-leading service. J.B. Hunt Transport Services, Inc. stock trades on NASDAQ under the ticker symbol JBHT, and is a component of the Dow Jones Transportation Average. J.B. Hunt Transport, Inc. is a wholly owned subsidiary of JBHT. For more information, visit www.jbhunt.com.

**Metro Park Warehouses • www.mpwus.com**

Metro Park Warehouses is a full-service 3PL offering 2 million square feet in Kansas City of modern food-grade warehousing space, including medical temperature-controlled space, ATF and national pharmaceutical licensed distribution, AIB Superior ratings, and 5 rail facilities, all open to reciprocal switching. Value-added services include end-to-end call center, shipping, and invoicing; retail display building; heat-tunnel packaging and shrink-wrapping; and a dedicated local and regional trucking fleet. Contact Metro Park to gain the competitive edge.

**Education**

**Elmhurst College**

**www.elmhurst.edu/admission/school\_for\_professional\_studies**

Whether you're pursuing graduate studies or an accelerated undergraduate program, the School for Professional Studies at Elmhurst will open the door to a wealth of opportunities. Wherever you are in your career, a certificate in your field can help you reach your goals. The School for Professional Studies at Elmhurst offers a wide range of certificate programs at both the undergraduate and graduate level. From the Elmhurst MBA to a master's in supply chain management to a leadership-focused MSN, our dynamic graduate programs will hone your leadership skills and prepare you for success. Courses are conveniently scheduled online or in the evenings.

**Georgia Tech Supply Chain & Logistics Institute • www.scl.gatech.edu**

The Georgia Tech Supply Chain & Logistics Institute (SCL) offers a comprehensive curriculum of short courses and seminars in which participants can earn a professional certificate in Supply Chain and Logistics or a professional certificate in Lean Supply Chain. More than 18 open enrollment supply chain and logistics short courses are offered each year. SCL can also assemble a curriculum designed for individual company needs. SCL students come from all segments of the logistics community—from manufacturing and distribution, warehousing, transportation, and third-party logistics to consulting and information technology.

**Illinois Institute of Technology • www.appliedtech.iit.edu/intm**

Industrial Technology and Management (INTM) at Illinois Institute of Technology (IIT) offers Bachelor and Masters degrees, with specializations in Supply Chain Management, Industrial Facilities, Industrial Sustainability, and Manufacturing Technology. The Bachelor (BINTM) is a transfer degree, requiring an Associates degree or equivalent college credits in a technical field. The Master of Industrial Operations (MITO) prepares students for management positions in industrial companies. Evening and online courses allow flexibility for working adults.

**Maine Maritime Academy  
mainemaritime.edu/academics/graduate-programs/online**

Maine Maritime Academy is a co-educational, public college on the coast of Maine offering 18 degree programs in engineering, management, science, and transportation. The college serves undergraduate and graduate students in career-oriented programs of study. The Graduate school offers two MS degree programs, one on campus and one online. Maine Maritime Academy was ranked the #1 Best Public College by *Money* magazine's Best Colleges list released in August 2014.

**Penn State University, Smeal College of Business**  
**supplychain.smeal.psu.edu**

Master of Professional Studies in Supply Chain Management and Graduate Certificate in Supply Chain Management. Through mastery of curriculum grounded in proven theory, best practices, and emerging innovation, graduates of Penn State's online master's and graduate certificate supply chain programs attain the knowledge and analytical skills for designing and managing the future's most sophisticated supply chains. Students engage in problem-based exercises coupled with collaborative learning experiences emphasizing interaction among fellow students, guided by top flight experienced faculty in courses offered through a convenient digital learning space, unconstrained by a set time or place.

**Syracuse University, Whitman School of Management**  
**whitman.syr.edu**

The Whitman School of Management at Syracuse University, a nationally recognized leader in logistics and supply chain education and research since 1920, offers the oldest such program in the country. Whitman supply chain graduates gain professional experience as students and enjoy a strong alumni network. For practitioners, we offer a talented intern/employee pool, and events to renew and update your skills. We also offer BS, MBA, MS, PhD, and executive programs in supply chain, as well as electives in Whitman's highly regarded distance-learning MBA option.

**University of Alaska Anchorage • logistics.alaska.edu**

The Department of Logistics at the University of Alaska Anchorage offers a Master of Science in Global Supply Chain Management (30 credits, 20 months, emphasis on strategy, leadership, knowledge management, and international business practices). Also offered are: a BBA in Global Logistics and Supply Chain Management (4 years); an Associate of Applied Science in Logistics and Supply Chain Operations (2 years); and a Certificate in Logistics and Supply Chain Operations (1 year).

**University of San Diego • www.sandiego.edu**

The University of San Diego's ISM-approved Master of Science in Supply Chain Management is delivered via e-learning with only a few on-campus sessions per year. Through relevant curriculum with applied learning, you'll develop leadership competencies that will enable you to initiate change and drive improvements across increasingly complex supply chain networks. Join us now for two years that will change your life.

LOGISTICS IT

**Amber Road • www.amberroad.com**

Amber Road's (NYSE: AMBR) mission is to improve the way companies manage their international supply chains and conduct global trade. As a leading provider of cloud-based global trade management (GTM) solutions, we automate and optimize the supply chain functions required to import and export goods: collaborating with foreign suppliers on design and quality assurance; executing import and export compliance checks; booking international carriers and tracking goods as they move around the world; and minimizing the associated duties through preferential trade agreements and foreign trade zones.

**BluJay Solutions • www.blujaysolutions.com**

When you partner with BluJay, you gain the advantage of the largest global trade network, a cloud-powered portfolio of application services, hands-free customs, real-time data analytics, and the visibility and velocity to adapt quickly. BluJay's proven, advanced technologies scale with your business. Equally important, its customer-centric team has the transportation expertise and passionate commitment to help you soar.

**CargoSmart • www.cargosmart.com**

CargoSmart provides global shipment management software solutions that enable shippers, consignees, and logistics service providers to improve planning and on-time deliveries. Connected to over 30 ocean carriers, CargoSmart leverages big data sources and a cloud-based platform to offer sailing schedules, visibility, documentation, contract management, compliance, and benchmarking solutions. Launched in 2000, CargoSmart helps transportation and logistics professionals increase delivery reliability, lower transportation costs, and streamline operations. Visit CargoSmart's website to learn more.

**Cass Information Systems Inc. • www.cassinfo.com**

Cass is the nation's oldest and largest provider of freight bill payment, audit, and rating services. We offer a wide array of services for processing and paying freight bills, as well as our industry-leading Internet reporting service, CassPort. In business since 1906, and providing freight payment services since 1956, Cass continues to offer stability, security, and expertise in the freight audit, payment, and information market.

**CDM WinFrt • www.cdmsoft.com**

CDM WinFrt is a robust, fully integrated, compliant and e-commerce driven trade management system specifically designed for freight forwarders, NVOCCs, exporters and importers. CDM WinFrt is a *certified* U.S. Customs software solution for ACE AES, AMS, ISF and soon ABI. Shipment compliance includes Canada, Japan, European Union and other countries. E-commerce includes Customer EDI, e-AWB, e-Booking, e-Shipping Instructions and e-Tracking. Our Supply Chain Visibility solution integrates to all major ERP systems.

**ClearView Audit • www.clearviewaudit.com**

Founded in 2008, ClearView Audit, LLC is a leading transportation consulting and technology firm specializing in supply chain best practices and cost reduction strategies. Its supply chain experts serve clients as trusted advisors to identify, develop, and execute an optimized supply chain model by integrating cutting edge technology and comprehensive market knowledge into an evolving set of best practices. ClearView Audit helps companies leverage their shipping volume, resources, and relationships with all carriers.

**CT Logistics • www.ctlogistics.com**

CT Logistics can help you save money, no matter your company's size. For small and medium-sized shippers, CT Logistics offers its TranSaver shipper cooperative buying program. Larger shippers can simplify their freight spending with CT Logistics' exclusive FreightRater freight bill rating and processing system. And businesses of all sizes can benefit from AuditPay freight payment services. Add to these offerings a wealth of online collaboration and reporting tools, and it's easy to see why shippers have trusted CT Logistics with their freight payment needs for more than 86 years.

**CTSI-Global • www.ctsi-global.com**

For more than 50 years, CTSI-Global has been a valuable resource to companies by providing the technology and industry expertise to help them manage all aspects of their supply chain—physical, informational, and financial—through freight audit and payment, transportation management systems (TMS), information management tools, and global consulting. The end results are improved shipping efficiencies, greater control, and significant ongoing savings. CTSI-Global is your link to supply chain solutions.

### Span Alaska • [www.spanalaska.com](http://www.spanalaska.com)

Span Alaska understands Alaska and has everything it takes to transport your shipments to, from, and around the state. Span Alaska moves more LTL freight than any other carrier to Alaska—for several good reasons. It has the equipment, the people, and the clout with ocean carriers necessary to transport your freight quickly and efficiently. These kinds of connections enable Span Alaska to give you the best value and to get things done that others simply cannot.
